## Braves Whip Giants To Hold Onto Lead

MILWAUKEE, Sept. 17 (AP)—Henry Aaron slammed his 41st homer and Joe Adcock hit his 10th to night as the Milwaukee Braves beat the New York Giants, 3-1.

Righthander Bob Trowbridge allowed five singles as he won his seventh game against five losses. Aaron doubled and Adcock homered over the leftfield fence in the second inning to account for Milwaukee's first two runs. It was the first home run since June 11 for Adcock, who was out of action from June 23 to Sept. 8 with a broken ankle.

The homer by Aaron in the eighth inning enabled him to tie Ernie Banks of the Chicago Cubs for the home run lead in the National League.

The Braves got their runs and all nine hits off starter Curt Barclay, who suffered his eighth loss against nine victories. He was replaced in the eighth by Mary Grissom.

Barclay figured in the Giants' lone run in the third inning. Catcher Valmy Thomas walked and went to third when Barclay sin-

gled. Thomas scored as Danny O'Connell forced Barclay at second.

Del Rice, Milwaukee catcher, was forced to leave the game after he pulled a muscle in his right leg in the fourth inning. Del Crandall finished the game.

Tonight's crowd of 25,390 in County Stadium brought the Braves' 1957 home attendance to 1,987,735.

## Cleveland Downs Washington, 7-3

WASHINGTON, Sept. 17 (AP)—Russ Nixon slammed a three-run homer in the second inning to accelerate Cleveland toward a 7-3 victory over Washington tonight. Ray Narleski allowed nine hits in notching his 11th win.

Camilo Pascual was the victim of Nixon's blast and another three run uprising in the sixth when Gene Woodling, Vic Wertz, Roger Maris and George Strickland singled. Wertz stole home on the front end of a double-steal during the inning.

Pascual, who lost his 15th decision, walked Wertz and Maris in the second inning. Nixon pumped his second home run into the right field bullpen.

Narleski's bid for a shutout was ruined in the eighth after Julio

Bequer led off with his 17th pinch hit of the year. Ed Yost walked before Bob Usher slid out. Roy Sievers walked to fill the bases.

## Pressure to Be on Gallant Man in Race

By JOHN CHANDLER

NEW YORK, Sept. 17 (AP)—The pressure will be on Gallant Man tomorrow in the scramble for "horse of the year" honors when the little Irish 3-year-old tangles with 10 older horses for the first time.

Gallant Man, owned by Ralph Lowe of Midland, Tex., steps out in the \$25,000-added Nassau County Handicap, a mile and one eighth spin at Belmont Park.

It will be an important race, and almost a "must" for Gallant Man, presently involved in a controversy with the Kerr Stable's Round Table for the championship of U. S. thoroughbreds. Both Round Table and Gallant Man are 3-year-old colts.

Some tough handicap stars will oppose Gallant Man, to be ridden by Willie Shoemaker. The No. 1 opponent is Mrs. Jan Burke's Dedicate with Eddie Arcaro in the saddle. Other formidable foes include the Woodley Lane Farm's Renegade, winner of the Saratoga Handicap, and Howell P. Jackson's Tick Tock, who captured the Sysonby Mile at Belmont Sept. 7.

Round Table beat older horses Saturday in the \$100,000 United Nations Handicap at Atlantic City, running up his eighth straight victory. The Kerr-owned flyer previously had whipped handicap stars in the Hollywood Gold Cup, and his backers say he rates the championship nod over Gallant Man.

Gallant Man, nosed out by Iron Liege in the Kentucky Derby when Shoemaker misjudged the finish, has been unbeaten since that race, in which Round Table was third. He won the Peter Pan, the Belmont Stakes, an allowance race at Saratoga, as a tuneup for the Travers and the Travers itself Aug. 17—his last start.

Handicapper Jimmy Kilroe assigned Gallant Man 121 pounds for the Nassau, and gave 5-year-old Dedicate 126, both scale weight for age. Dedicate won two \$100,000

## LSD Star Gets Big Welcome

Louis Cannon, the Louisiana School for the Deaf's contribution to the United States "Deaf Olympic" squad, returned to Baton Rouge Monday to be met with a hero's welcome.

An assembly was hastily called on the LSD campus, and Cannon, in sign language, interpreted for the hearing people in the audience, related his experiences on the trip which took him from Baton Rouge to the site of the games at Milan, Italy, and through many of the major cities of Western Europe.

Cannon termed his experiences: "Sometimes frightening, always inspiring and forever unforgettable."

The American team walked off with the basketball and track championships in the meet, but the Russians, with the aid, Cannon says, of "big and strong" girl participants won the overall meet.

Gormany placed second and the United States third among the more than 20 nations participating. Cannon himself ran his best time—32.5—in the 400 meters and took a second place medal in that event, and ran a leg on the 1,600 meter relay team. He had been scheduled to broad jump, but passed up the event to concentrate on his running after three other U.S. athletes topped his best leap in the pre-game trials in Washington.

He ran his leg of the 1,600-meter relay in 31 seconds to pace the field, but his mates faltered and placed second.

Cannon's trip was made possible by contributions largely in response to a Louis Cannon Olympic fund drive promoted by the State-Times. Nearly \$2,000 was raised.

The 19-year-old athlete, who graduated as valedictorian of his class at LSD last spring, plans to enroll at Galludet College in Washington Oct. 1, where he intends to major in chemistry.

PORT ARTHUR, Tex., Sept. 17 (AP)—A sudden outbreak of what doctors term Asian flu struck down 22 of the Port Arthur football team today.
